Sheriff's Inmate Workers Make YSU Safer

**Wood Street at Phelps 8:30 a.m. – 2:30 a.m. Thursday, September 23, 2010**

Sheriff Randall Wellington has assigned inmate workers to clean up the tree line along the Southside of Wood Street between Phelps and Wick Avenue. The badly overgrown trees and brush has created an unsafe area for YSU students walking to and from YSU to the downtown area. The City of Youngstown provided the equipment including a big wood chipper for this cleanup project.
